Townhouse – A real favorite in the Suquet district

Cannes | 6 voyageurs | 3 chambre(s) | 3 salle(s) de bains

Atypical town house, full of charm completely renovated and decorated with taste and refinement. A real favorite. This former fisherman's house is distributed over three levels. You will find on the ground floor, a double bedroom with king size bed, shower room and separate toilet. On the first floor, a second double bedroom with king size bed, very spacious and bright with a shower room and a separate toilet. On the second floor, a third double bedroom with a bathroom (with an old-fashioned bathtub) and a separate toilet. The second level is also composed of an independent toilet. On the third and last floor you will find the pleasant living space which consists of a fully equipped American kitchen, a dining area with a magnificent mottled table. The bay windows open fully and give way to an exceptional view of the bell tower of the Church of Notre Dame d'Espérance. This atypical property offers more than just housing but a real life experience. Ideally located, a stone's throw from the Forville market, local shops, the port and the Palais des Festivals. Next to the bus and taxi stops, this property is ideal for vacation rental or congress. Lovers of decoration, unusual objects and travel... let yourself be seduced by this charming house. Assured
