

Very nice villa with breathtaking view

📍 Grasse and Hinterland

Located in SPERACEDES (06530), this pleasant architect-designed villa will seduce you with its dominant position and its magnificent unobstructed view to the sea. Its generous volumes offer a capacity of 6 people. It consists on the main level of a spacious living-dining room extended by a superb terrace, a fully equipped independent kitchen and two bedrooms each with their own bathroom. On the lower level there is a third independent bedroom with bathroom. Each room benefits from a breathtaking view. You can relax thanks to the beautiful swimming pool located below. The location between sea and mountains is ideal for exploring the region and its typical Provençal villages. Walks are possible from the villa. You will love this peaceful and charming house.
